Hudson, NY 12534

Dear Members of the Columbia Greene Board of Realtors,

We would like to sincerely thank your members for the collective donation of \$638.00 to the Community Cancer Fund. There are so many worthy causes and organizations to dedicate fundraising efforts to, so we are truly grateful for your support of this fund.

The fund serves Columbia and Greene County individuals and families who are living with cancer and experiencing financial hardship. Your donation will help local families with cancer related expenses such as travel costs, co-payments, diagnostic testing and medication for the underinsured, as well as certain living expenses. Without caring and generous people like you, this important resource would not be available to people in need.

The Community Cancer Fund is administered by the Healthcare Consortium. To make a referral or to get more information, please call 822-8741.

Thank you again and we hope to see many of you at the fundraiser 5K Walk/run events in May and June 2012!

Sincerely,

Gina Armstrong
Deputy Director
Community Cancer Fund Committee
